Trello

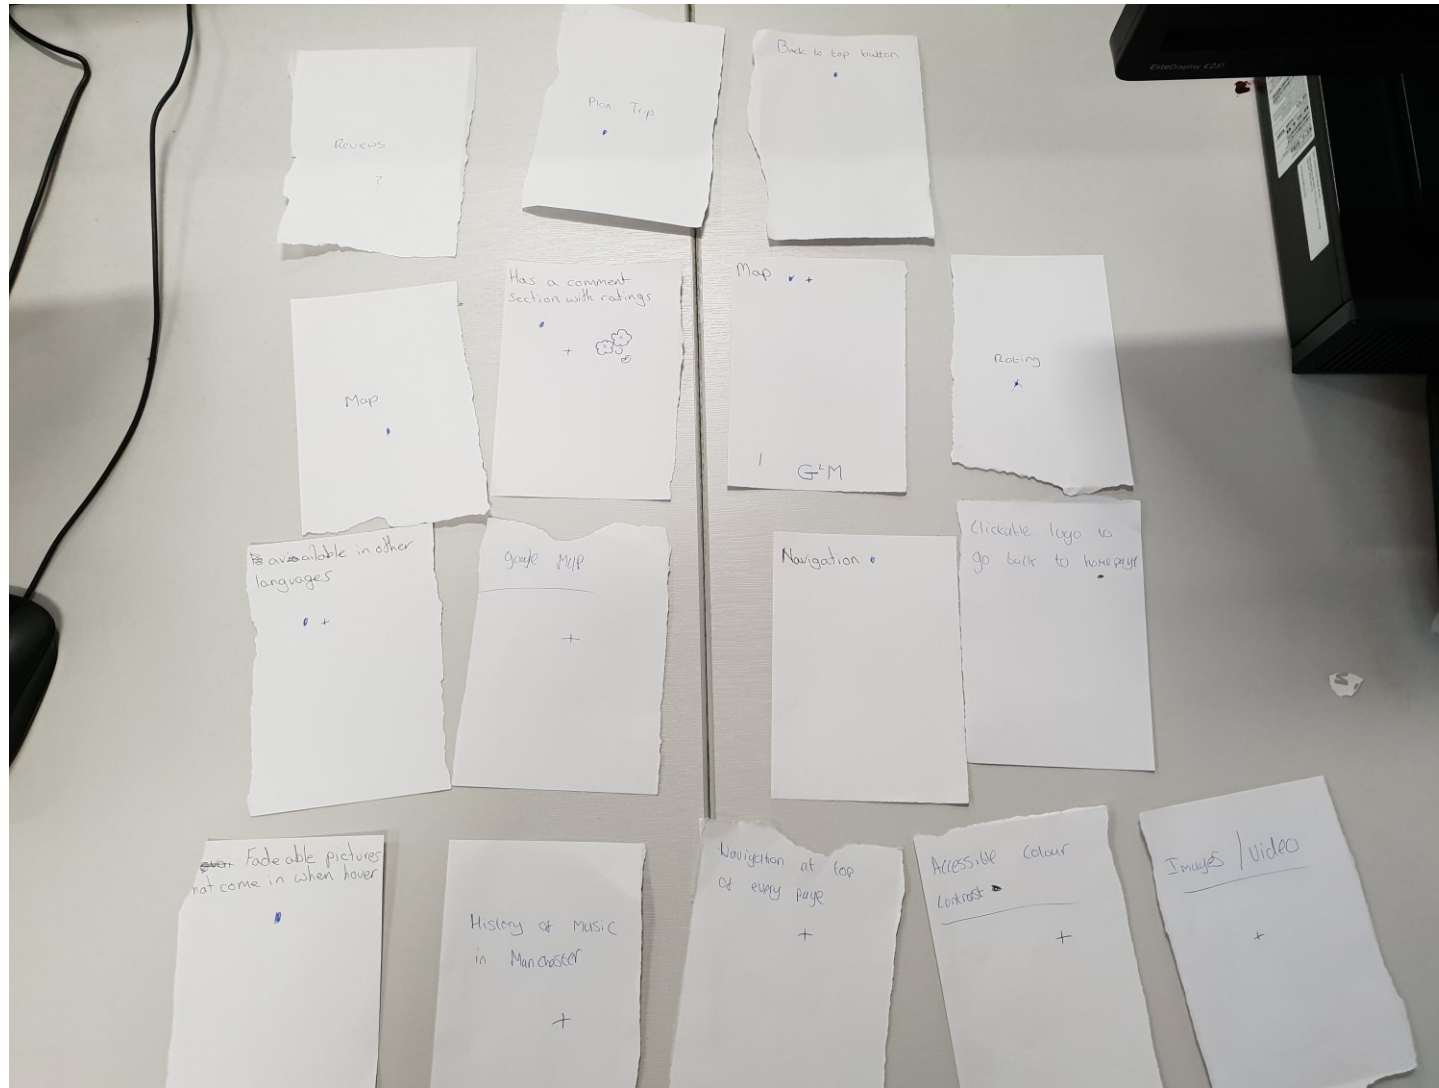

The screenshot shows a Trello board titled "Guide to Manchester" with a team of "Web Dev" and "Free". The board has two lists:

- Ideas**
 - Coffee Shops
 - Night Life
 - Statues
 - Vintage Shops
 - Art Galleries/Museums
 - Festivals
 - Concerts/Music
 - Parks
 - Biking
 - Sports Venues
 - + Add another card
- Crazy Eights- Features**
 - Navigation bar
 - history of Music
 - Fade-able Pictures for hovering
 - Clickable Logo for homepage access
 - Available in other languages
 - Has a comment section with ratings
 - Google Maps
 - Accessible colour contrast
 - Images & Video
 - Back to top button
 - Planning trip organiser
 - + Add another card

The background of the board is a colorful abstract image with red, blue, and yellow smoke-like patterns. A menu is open on the right side, showing options like "Change Background", "Filter Cards", "Stickers", "More", "Power-Ups", and "Activity". The activity log shows several updates by Kevin Dyson to the "Crazy Eights- Features" list, including adding "Planning trip organiser", "Back to top button", "Images & Video", "Accessible colour contrast", "Google Maps", and "Has a comment section with ratings".
